

Dear Parent/Carer,

It has been a very exciting start to the new school year. I have really enjoyed hearing all the positive feedback from the children regarding our planned KS1 eco garden development. The pupils all look wonderfully smart in their new uniforms too—thank you for supporting our school dress code. Please note, our school office is still taking orders for sweatshirts, coats and P.E. kits. should you require any items.

Our school events planner/key dates for the autumn term is attached. Please look over it to see if you would like to join us for any special activity days.

### **Celebrating the History of the Local Area**

This half term, every class has a history focus to their learning. The children have already been busy thinking about questions which they wish to investigate. The overall topic question for each year group, and the pupil who thought of the question, is listed below:

- Y1: Are all toys made out of wood and metal? (Tamarah)
- Y2: How has the Great Fire of London changed our life today? (Mohammed)
- Y3: What is the difference between my house and a Roman house? (Yaseen)
- Y4: What would the world be like if there had been no Egyptians or pyramids? (Don)
- Y5: How was the life of a Viking different to ours? (Laiba)
- Y6: How was life during Tudor times different to life today? (Saif)

### **Midday Supervisor Opportunity**

We currently have a position available for a Midday Supervisor at the school. If you are interested in this role, please contact the school office to collect an application form, thank you.

### **Payments to the School Office**

Please note, we are still continuing to accept cash payments at the school office, whilst we are waiting for an electronic payment system. Please may I remind you to provide any payments in a sealed envelope, along with the following info:

- Your child's name
- Your child's class
- What the payment is for
- The total amount of money contained

Please provide the correct amount of money, as we are unable to provide change.

The costs for services at the school are as follows:

Breakfast Club	£2.50
Extended Learning	£7 for 1st child, £6 for sibling
Football Club	£2.50
Dinners	£1.25 a day, £6.25 a week
Music Lesson	£4.00

Thank you for your continued support with this system.

### **Eco Council Veg—BY Sam Elliot Y6**

Last week, the Eco Council went outside to harvest the potatoes and other crops which were planted earlier in the year. First of all, we pulled up the potato plants and saw that there were lots of potatoes joined to the roots. It was really interesting to see. We gave the potatoes to the kitchen and they will be used in our school dinners! There are some tomatoes which are still growing and once they are ready we will collect them as well.

### Outdoor Learning Area

I am pleased to tell you that we have recently carried out some tree works in KS1 area/ playground. This means that the children will have a larger open space to explore outdoor learning opportunities. We shall keep you updated with plans and designs once the pupil council have met to discuss ideas.

### Maths Challenge—by Miss Hopkin

In the semi finals of the women's hockey at the Rio Olympics this summer, Great Britain played New Zealand and the Netherlands played Germany. In both the matches a total of 5 goals were scored, how many possibilities can you find for the final score in the matches, if Great Britain and the Netherlands qualify for the final?

E.g.

Great Britain 1

New Zealand 0

Netherlands 3

Germany 1

### Headteacher's Award:

Swans:	Mia	For gaining confidence in her swimming and demonstrating in excellent attitude towards her learning.
	Daniyal	for demonstrating excellent listening skills during phonics.
