

Design

I can design from a given criteria.

I can draw my own design.

Make

I can describe how something works.

I can select appropriate tools and resources.

I can cut and prepare fresh produce safely.

Textiles

I can sew and join fabrics using a running stitch.

Food and nutrition

I can understand that food comes from plants or animals.

I can develop my chopping and peeling skills..

Design Technology in Year

1

Evaluate

I can evaluate my design.

I can say what I like about it, and what I would like to change.

Mechanisms

I can explore simple mechanisms, e.g. pop up books, moving pictures.

I can make a slider or hinge mechanism.

Structures

I can make a simple structure by joining the components together.

Key Vocabulary:

Structure, mechanism, plan, design, evaluate, textiles, nutrition.

Tools, knife, sew, needle, running stitch

Lever, slider, hinge.
