

Nursery

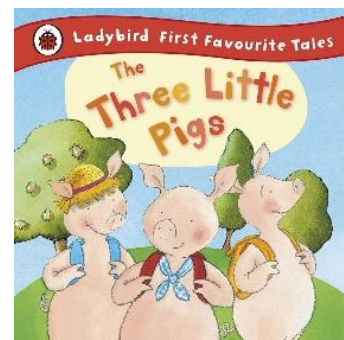

Autumn Newsletter

Welcome Back!

The children have returned to Nursery so beautifully and they have all settled in brilliantly to this new academic year! We look forward to enjoying some great learning opportunities around Autumn and the children's interests.

This half term our topic is 'Me and My World'. Over the course of this half term we will be focusing on getting to know all of the children, spending lots of time talking about our families, where we live, our likes and dislikes and our similarities and differences.

We will be looking at a selection of books to support our learning about ourselves, our feelings and how we can be a good friend. Our main book of focus for this half term is The Three Little Pigs. We look forward to lots of learning and opportunities for storytelling!

Literacy and Phonics

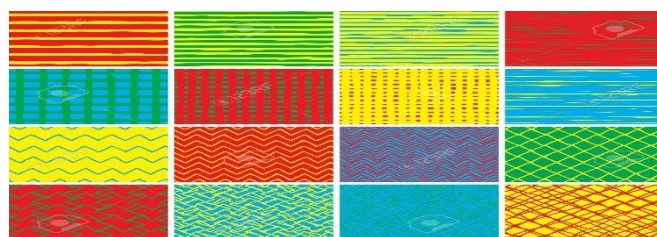

During this term we will begin to apply our listening and attention skills, tuning in to the sounds we can hear around us, and replicating rhythms and rhyme. We will be taking part in lots of activities around listening for sounds in our environment, and the sounds which different instruments make. We will also begin to practice the segmenting of words and blending of sounds. For more information about this, please see the video linked below.

Maths

During their play and through adult lead activities the children will begin to explore simple mathematical concepts.

This half term we will be focusing on matching, colours and noticing patterns.

A note about our online learning platforms...

In Nursery we utilise both Showbie and Tapestry to communicate with parents and allow you to see all of the wonderful things your children have been doing whilst at Nursery. Log in details will be provided for you as the children start. Please familiarise yourself with these platforms and if you have any questions do let us know!
