

Sport Funding Report: 2019/2020

Funding

Edna G. Olds Academy has been allocated £17,710 through Sport Premium Funding for the academic year 2019 to 2020 to spend on improving our provision for all children to access sport. The premium will be used to help Edna G. Olds Academy fund additional and sustainable improvements to the provision of PE and sport in the 2019 to 2020 academic year and to encourage the development of healthy, active lifestyles for all pupils. We will ensure that sport and P.E. provision addresses the needs of all pupils, including those who belong to disadvantaged, vulnerable and gifted groups.

All sports provision will aim to increase attainment, inclusive participation, improve confidence, develop competitive strategies and hone techniques / skills; whilst encouraging a life-long love of sport, together with an understanding of the health benefits participation in sports activities brings.

Sport Premium Funding will enable Edna G. Olds to fulfil the following aims:

- to ensure that we can promote and support the importance of a healthy lifestyle and place particular emphasis on the wellbeing of our pupils
- to ensure that pupils will learn how sport and activity impacts positively on all aspects of their lives and on that of the school
- to improve the physical education experience for all children in our school
- to support the school in increasing physical activity opportunities for our children
- to enable our children to enjoy a range of school sport outside of the curriculum
- to ensure access for all children to high quality physical education lessons to develop fitness, stamina, health and well-being
- to ensure the development of school sport is linked to wider agendas.

We will fulfil these aims by:

- continuing to provide opportunities for children to represent the school in sport competitions
- employing specialist sports coaches to work alongside teachers in lessons to increase their subject knowledge, skills and confidence in the teaching of P.E
- providing CPD opportunities for staff
- purchasing lunchtime sport activity equipment
- providing transport to link with other schools in order to take part in competitions and festivals
- offering our children the opportunity to participate in sport beyond the curriculum
- ensuring that Edna G. Olds Curriculum offers opportunities for pupils to develop the knowledge and understanding of what makes a healthy lifestyle
- forging links with the local community to enrich the P.E. provision within school

As a school we are passionate about sport. All sports funding money is used to develop the staff's teaching and learning skills and expertise - quality CPD. In addition to the allocated sports funding, the school devotes further capital expenditure (significant amounts), to ensure all

Edna G Olds Academy

A L.E.A.D. Academy

children have the opportunity to access and develop wide ranging sports skills - quality provision. Sports funding is never used to cover planning, preparation and assessment time (PPA) for teachers.

Major Oak Coaching curriculum support/staff CPD: £1739 per year

Major Oak Coaching Limited helps schools to deliver a thorough and detailed provision for PE Curriculum Support. As a school, we use the system to support staff with the planning and delivery of high quality PE lessons, that helps to provide a progression in skills across year groups.

Specialist Tennis lessons: £2310 per year

Reception and nursery children have a tennis lesson weekly at school

Pupils across KS1 and KS2 have access to professional tennis coaching during Autumn and Spring term. During the sessions they learn key skills: throwing and catching a ball, sharpen hand/eye coordination skills and develop their understanding of how to hold a tennis racket. The children increase their self-confidence skills in using a tennis racket, as well as play tennis matches following the correct rules.

Teachers are involved in each session and have developed their teaching skills, helping pupils to master basic movements, such as: running, jumping, throwing and catching, as well as developing balance, agility and co-ordination. These skills are being applied across a range of activities. In addition to specific tennis skills, pupils have used their understanding of how to practise flexibility, strength, technique, control and balance within all aspects to of P.E lessons.

Specialist Football lessons: £1020 per year

All children at Edna G. Olds Academy have the opportunity to access specialist football lessons delivered by a professional coach throughout the spring term. During the football lessons the children are given the opportunity to develop and learn a range of skills. The children are also taught the importance of eating a healthy diet, learn about why they need warm up and practise cool down techniques. Children are taught about key muscle groups and learn exercises to help them to understand how to stretch every muscle group.

Teachers are involved in each session to further develop their subject knowledge in delivering key elements of the National Curriculum. In KS1 teachers have developed their understanding of how to give children the opportunity to participate in team games, developing simple tactics for attacking and defending. In KS2 teachers have taught children how to play competitive games, and apply basic principles suitable for attacking and defending.

Competitive Sports: £300 to take part in sporting competitions

£1438.50 to organise transport for children to take part in sporting competitions

Through the sports competitions the school competes in over the year, children will have the opportunity to apply what they have been learning in lessons to competitive events. They will gain an understanding of how to win and how to lose. The children will see the importance of applying our core behaviours curriculum in a sporting environment and learn the importance of always trying their best.

Resources to support delivery of P.E: £1000

In order to improve the quality of P.E lessons, specialist equipment will be purchased to enable the children to participate in a wider range of sporting activities. It will also enable staff to be able to teach P.E more effectively and enhance the sporting experience of all children, including future years.

Yoga: £7312.50

Every pupil in the school has access to class yoga lessons. During the yoga lessons the children are taught a range of balances and routines. The children are given the opportunity to express themselves and create their own movements, as well as set these controlled movements into a sequence. There are lots of opportunities for the children to work independently, as a pair or in groups during the yoga lessons. These sessions help the children to develop skills in resilience and compromise. The children are taught relaxation techniques to aid their focus and concentration. This extends way beyond their P.E lessons, enabling them to focus more intently on their class based learning, or use as strategies to relax if they are feeling worried or stressed about a situation in or outside of school.

Swimming lessons: £10,690 (£2590 Sports Premium funding for additional swimming sessions, £8100 funded through school for core swimming provision)

We believe swimming is a crucial part of a child's development and, therefore, want all our pupils to become confident swimmers from a young age. **No sports premium money is used to fund our core swimming provision (Year 1-4).** This is funded by the school.

Sports premium money is used to support pupils who have not met the expected standard in swimming, by funding them to have access to additional swimming sessions in order to ensure they are given the best opportunity of meeting the expected standard in swimming by the end of KS2. The additional sessions are for pupils who cannot yet:

- Swim competently, confidently and proficiently over a distance of at least 25 metres.
- Use a range of strokes effectively (for example, front crawl, backstroke and breaststroke).
- Perform safe self-rescue in different water-based situations.

Pupils in year 5 and 6 who have met the expected standard are provided with additional swimming sessions to further develop their swimming ability- **this is funded through the school and no sports premium money is used to fund swimmers in year 5 and 6 who have already met the expected standard.**

Reception and year 1 swim each week during the year. Every other year group accesses swimming lessons for one term of each academic year. This enables the children to build on their acquired skills throughout the duration of their primary education.

Swimming				
Day	Time	Year Group	Term	
Monday	9:30-10:00	R	Autumn 1 and 2	Core Provision
	1:30-2:00	R	Spring 1 and 2	Core Provision
	1:30-2:00	R	Summer 1 and 2	Core Provision
Monday	10:00-10:30	1	Autumn 1 and 2	Core Provision
	2:00-2:30	1	Spring 1 and 2	Core Provision
	2:00-2:30	1	Summer 1 and 2	Core Provision
Monday	10:30-11:00	4	Autumn 1 and 2	Core Provision
Monday	2:30-3:00	3	Spring 1 and 2	Core Provision
Monday	2:30-3:00	5	Summer 1 and 2	Booster and higher ability session
Monday	2:30-3:00	6	Autumn 1 and 2	Booster and higher ability session
Friday	11:00-11:30	2	Spring 1 and 2	Core Provision

After School Opportunities

Football Club: Edna G. Olds Academy offers all children the opportunity to attend a football club which takes place every Thursday- this rotates between KS1 and KS2 each half term. This is self-funded.

Swimming Club: An after school swimming club takes place each Tuesday after school, open to pupils in years 4, 5 and 6, which provides a chance for pupils of all abilities to develop their swimming technique further. The club also provides an opportunity for advanced swimmers to learn water rescue techniques. This is self-funded.

Dance Club (£378.50): Pupils in KS2 have access to an after school dance club, which takes place each Wednesday. This is partially subsidised through the sports premium funding.

Yearly Overview of P.E across the School

Year 1 and 2 Overview		Year 3 and 4 Overview		Year 5 and 6 Overview	
Autumn 1	Tennis	Autumn 1	Tennis	Autumn 1	Tennis
Autumn 2 (3 wks)	Gymnastics	Autumn 2 (3 wks)	Gymnastics	Autumn 2 (3 wks)	Gymnastics
Autumn 2 (3 wks)	Dance	Autumn 2 (3 wks)	Dance	Autumn 2 (3 wks)	Dance
