Headteacher Update

Safeguarding remains our top priority. This is why we have added a 'Report a Concern' to our Edna G. Olds Academy website homepage.

Should you have any concerns with regards to safeguarding please use the link below to report your concern to schools designated safeguarding leads, Mrs Pemberton and Mr Blackwell.

Dear parents/carers,

We continue to see some fantastic work from our pupils' on Showbie – our online learning platform. Pupils' have continued to post back their learning activities for their teachers to mark and celebrate their successes. We are so very proud of each and everyone of you for adapting so well to a new way of learning during our school closure. Well done!

Thank you so much for sending your creative and colourful images – we will create an ebook and then share this with you as soon as possible.

(New activity this week from Mrs Pemberton)

Don't miss our virtual Easter Egg hunt on our school website – www.ednagoldsacademy.co.uk. I look forward to hearing from you via school email (admin@ednagoldsacademy.co.uk) where you found the different Easter eggs on our website. Happy hunting!

Please do stay home and stay safe during this current lockdown procedure. The temptation to venture outdoors over the bank holiday weekend maybe tempting but please refrain from doing so. It is vital we follow the current rules around social distancing and isolation.

Wishing you all a wonderful Easter break.

Mrs Pemberton
