

Edna G Olds Academy
A L.E.A.D. Academy

THE EDNA LEADER

We are the Phenomenal Future!

YEAR 5 STAR IN SPRING PRODUCTION

IT WAS YEAR 5'S TIME TO SHINE IN THE SPRING PRODUCTION. THEY ALL PUT ON A PHENOMENAL PERFORMANCE AND WERE ASSISTED BY THE REST OF KS2, WHO SANG BEAUTIFULLY.

JOKES:

Who is the
king of
stationary?

The Ruler

Why did the
teacher wear
sunglasses?

*Her students
were so
bright!*

SATS PREPERATION:

In preparation for SATS, Year 6 have worked incredibly hard to prepare for their upcoming exams. They have demonstrated our core behaviours of resilience and motivation!

CHESS CLUB

Open to years 1,2,3,4,5
and 6! **100% FREE**

SINGING CLUB

**CREATE AND PERFORM YOUR OWN
SONGS!**

OPEN TO YEARS 5 AND 6

Primary Parliament

Primary Parliament:

Last term a group of year 6's went to the council house in the Lace Market. They went to discuss how to stay safe in a digital world. This event was sponsored by Ignite. Our school joined with pupils from other schools to come together and make a difference.

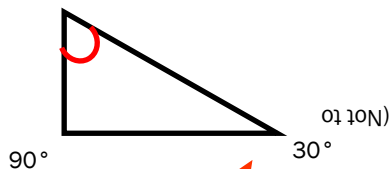

Competition

Time!

This terms competition:

Geometry

Calculate this angle.

TO WIN

Contact Isaac in Year 6

Core Behaviours;

Last half-term we focused on empathy and tolerance.

THINKING OF WRITING AN
ARTICLE:
CONTACT SABREENA

Easter Bonnet Parade

The whole school took part in the Easter Bonnet Parade. This took place on the KS2 Playground. The parade had lots of colour and fun designs. Parents were invited to come to the event. The winners received (very large) chocolate eggs.

Easter and Eid Cards

To celebrate Eid and Easter, we created beautiful cards for friends and family. Eid and Easter are both important celebrations that students and teachers of Edna G Olds celebrate.

Local Library Visits

At Edna G Olds, we value our students education as well as their amusement. Recently, we have been visiting local leisure centres to explore different techniques of education. We went to our local park to learn about the environment and how climate change affects nature. KS2 have more upper class trips such as canal trips and science trips for advanced knowledge.

Why did the boy bring a ladder to school?

It was a high school!

UNIVERSITY STUDENTS YEAR 6

In Year 6, we had some university students come to visit us. They were all studying psychology. We explored our long-term and short-term memory. They also taught us how illusions work and the different types.
